Subject: Approval of Transfer of Notice of Intention, Wasatch Gravel and Rock, Barney Mine, S/049/065, Utah County, Utah

Dear Mr. Mascaro:

On July 23, 2008, the Division approved the transfer of your Barney Mine small mining operation to Wasatch Gravel and Rock. You are hereby released from any further reclamation responsibility associated with this project. The Division has sent a request to Zion's bank for the release of your cash reclamation surety. You should receive your surety within the next few days.

Thank you again for your patience with the Division in completing the transfer of your operation to Wasatch so that your surety could be released. If you have any questions, please don't hesitate to give us a call.

Sincerely,

Dana Dean, P.E.
Associate Director, Mining
